Lajos NADAS, a former MHBK functionary in Innsbruck and currently employed with USFA in Salzburg informed Informant 3702 on 29 May 52 that subject is one of the most important operatives in the MHBK intelligence and highly trusted by ZAKO. NADAS is of the opinion that subject fabricates most of his info and sells quantities of it to the British and French. NADAS could not elaborate on subject's French and British contacts except that it is done through MHBK contacts in Munich and ZAKO in Innsbruck.
